

## ATECS Metal Insert Molding Technology

### Application

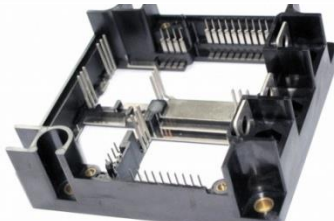

**Inverter for EV & HEV  
DCDC Converter, IPM,  
Lithium Ion Battery Case, etc**

### Example

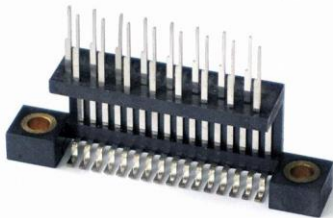

**OEMS: TOYOTA, HONDA, SUBARU  
Parts: Inverter, IGBT, IPM case  
Lithium Ion Battery Cap, etc**

### Capability

**Design & Production & Quality Control  
From Trial to Mass Production**

### Reason to be chosen

- Able to Size Down Modules
- Stable Quality by Process Reduction

***We Create Art by Plastic***
